

A shared Journey

Our life's journey involves those who are close to us, very often our children, whatever age, and who will be sharing the journey.

Do they need support?
Do you know, how or where, to find it?

An event led by Lindsay Dobson
M.A Counselling, Advanced Dip integrative Counselling,
PG Cert Therapeutic play.

Lindsay has set up a children's service for East Cheshire Hospice and lectures in counselling at Macclesfield College.

OUR AIM

- ◆ We aim to provide friendship, help, information and support, and a range of complementary therapies for our visitors.
- ◆ We aspire to be inclusive of those who may be living with cancer or who are in remission, whatever your beliefs.
- ◆ We also welcome family, friends and carers who are supporting them; we recognise that they too may need support.
