DECOUPAGE

Guided by
Harpal Bassi
Welcomer at MCHC

Harpal has very kindly offered to introduce us to the fun and challenges of Decoupage.

Some of you have already given Harpal ideas of what you would like to make/decorate.

We will provide the 'raw material' you just have the fun of choosing and gluing. Harpal's daughter has also kindly offered to help.

OUR AIM

- ◆ We aim to provide friendship, help, information and support, and a range of complementary therapies for our visitors.
- ◆ We aspire to be inclusive of those who may be living with cancer or who are in remission, whatever your beliefs.
- ◆ We also welcome family, friends and carers who are supporting them; we recognise that they too may need support.
