DIGITAL PHOTOGRAPHIC

- ♥ We all love photographs, and many of us take photos through different mediums.
- ♥ At times, we wish we could do better.
- ♥ We may ask, can we do as well with a 'Smart' mobile phone?

Well here is someone who will know and has kindly offered to do a presentation:

Len Claydon ARPS AFIAP

National & International award winning photographer

Associate of the Royal Photographic Society and

Artist of The Federation Internationale

OUR AIM

- ♦ We aim to provide friendship, help, information and support, and a range of complementary therapies for our visitors.
- ♦ We aspire to be inclusive of those who may be living with cancer or who are in remission, whatever your beliefs.
- ♦ We also welcome family, friends and carers who are supporting them; we recognise that they too may need support.
